SHAH DENIZ STAGE 2 PROJECT

CONTRACT NO: SD-C-097

SUBSEA LINEPIPE COATING

Subject: Letter of Recommendation for Sean Dornan

Dear Sirs,

We recruited Sean in May 2016 to perform a QC Inspection role in Indonesia to support the execution of the thermal insulation coating scope being carried out on behalf of the Shah Deniz 2 Project. Throughout his term of employment, Sean has proved to be asset to the linepipe coating team and his attention to detail has ensured we have a quality product that meets the project specifications and is fit-for-purpose.

I would be happy to recommend Sean as a QC Inspector on future linepipe coating scopes of work, and can provide a more detailed reference if required.

Yours Faithfully

for **BP Exploration (Shah Deniz) Limited**
